Carpool Reminder!

During car-riders AM and PM, <u>there is no left turn into the parking</u> <u>lot</u>. This interferes with the traffic pattern and causes problems for those exiting our parking lot as well as those trying to move through Dwight Rowland – including buses. Please help us out by reminding your friendly folks who drive your students here, but may not receive the weekly memo (neighbors, grandparents, spouses, etc.)

We appreciate you so much and thank you for helping us ensure the safety of everyone by following these policies!
