Agenda

1. Review of Norms:

What happens in first grade stays in first grade

Be respectful

Hear all ideas

Be on time

Choose Joy - laugh often

2. Discussion with team....Ideas for "How are we keeping a focus on:"

- Clarity with learning targets -intentional with planning, clear with students on what they are going to/supposed accomplish and check-in at end
 - Positive phone calls - don't have to be Fridays, jot down ideas as kids stand out
 - Cooperative structures- sharing Kagan ideas for lessons for week/team building, open book back up at end of PLT's, choose team building activity for each week - put it on PLT agenda to be sure discuss
-

3. Determine pathway this year: SIP Goal 2: Unit development

a. **Learning targets** are defined (Big Rocks, essential standards) upload final into Google Drive

Check:)

b. Assign criterion for mastery for each target (What would mastery really look like for that learning target)

- i. Look at grade level **assessments** to determine if they show level of performance required to achieve mastery of target - make adjustments

*updated and revised math and reading assessments

c. Review **lesson tasks** to determine if they provide instructional tasks to get to heart of objective so students will be successful on the assessment of target.

*discussed being sure lessons are saturated with only the skill they are thereto learn - do not branch out during that enrichment and remediation block - repetition at this time is how they will get mastery

d. Teacher moves: **Delivery** matters as much as pedagogy

*classroom visit post discussions

- i. Determine focus for **classroom visits** and schedule

*Letterland - word detective lesson

October 21st - grade level discussion

September 26th - track 4, track 3 getting observed

October 17th - track 1, track 2 getting observed

- ii. Discuss teacher moves during visits and the impact on learning at team meeting afterwards...

e. **Differentiation** opportunities for level 5 students..

*Enrichment program targets level 4's
